

MULTIPURPOSE HAND TROLLEY

The Impact-A Multi Purpose Hand Trolley is simple and easy to use.

The Trolley is adjustable and can be converted into a platform style, by simply removing the handle and repositioning it.

The 10 inch Flat Free Puncture Proof tyres are great for any type of surface, and along with the fully sealed HSS Inline Bearings, helps you to manage the load.

With its strong sturdy frame and pram type handle, this trolley will hold up to 250kg, perfect for transporting cartons and boxes in the delivery industry.
